

# I-SET Robotics Live Online Learning

## September 2020

Good day,  
You are invited to join one or more of the I-SET Robotics Live Online Learning sessions that will be presented on the 4 weeks of September 2020 (i.e. the Tuesday session will be presented every Tuesday, at the same time). The purpose of these sessions is to equip coaches and mentors (i.e. students, educators, facilitators and trainers) for teams of robotics learners. Kindly note that the Tuesday (14:00-15:00) is repeated on Thursday. You are welcome to book for more than one session. Please do not book if you are unable to attend. A similar training schedule will be published for October 2020.

The options for SEPTEMBER 2020 include:

- I-SET Robotics Live Online Learning (Robotics Basics)
- I-SET Virtual Robotics Toolkit (LIMITED only registered FLL team coaches)
- I-SET Chemistry with Dr Dineo (chemical equations)
- I-SET Robotics (2020 FLL Challenge)
- I-SET Research Club (2020 FLL Challenge)
- I-SET Robotics (Grade 1-3) (2020 FLL Explore)
- I-SET Robotics (Grade 0-1) (2020 FLL Discover)

Meeting invites will be sent to registered participants 48 hours before the event.
