

DANCE STUDIES

ADDENDUM FOR: PERFORMANCE ASSESSMENT TASKS PRACTICAL EXAMINATION – PAPER 2 WRITTEN EXAMINATION – PAPER 1

GRADE 12

2020

This addendum consists of 6 pages.

GRADE 12 ADJUSTMENTS TO PERFORMANCE ASSESSMENT TASKS (PATs)

1. PAT 1: CHOREOGRAPHY

This was completed in Term 1:

- Written = 25 marks
- Practical = 25 marks

Adjustments: The marks from this PAT will be increased from 50 marks to 100 marks. The weighting of the components within the PAT may not be adjusted and the mark conversion in **ANNEXURE A** should be used.

2. PAT 2: GROUP DANCE – REMOVED

This was to be completed in either Term 2 or Term 3:

- Written = 25 marks
- Practical = 25 marks

This PAT 2 has been removed due to social distancing – NO group work. The written content is not included in the final NSC Paper 1 written examination.

3. MODERATION OF PAT

Moderation in Dance Studies includes internal moderation by the school as well as external face-to-face and cluster moderation.

All performance assessment tasks (PATs) are to be filmed and made available for external moderation.

The DBE Annual Teaching Plans (ATP) adjusted for Post-Covid-19 should be used in conjunction with this document to guide the PAT and Practical Examination processes.
