DIE VERANDERING IN ONDERWYS  
THE CHANGE IN EDUCATION

All my best memories of Dad start with...

"Don't tell your Mom"

# EXTRACURRICULAR ACTIVITIES: LIFE OUTSIDE THE CLASSROOM

## Definition of extracurricular

- not falling within the scope of a regular curriculum
  - specifically : of or relating to officially or semiofficially approved and usually organized student activities (such as athletics) connected with school and usually carrying no academic credit
- extracurricular sports

# What are extra and co-curricular activities?

- Co-curricular activities are those activities that are outside of but usually complementing the regular curriculum.

## What are extra and co-curricular activities?

- Co-curricular activities are those activities that are outside of but usually complementing the regular curriculum.
- Extracurricular activities are defined as those school-based activities that are not tied to the curriculum.

## What are co-curricular activities examples?

- A few examples of common educational opportunities that may be considered co-curricular include **student newspapers, musical performances, art shows, mock trials, debate competitions, and mathematics, robotics, and engineering teams and contests.**

# Why extracurricular activities are important?

- These activities can **strengthen your mind and make you more successful and focused in the classroom.**
- They can help you build professional skills, and skills that cannot be learned in an academic environment. They can help expand your social circle and also allow you to pursue your interests

## 5 Important Benefits of Extracurricular Activity

- 1. Learn new skills.** Fundamentally, extracurricular activities allow your child to learn something that could stay with them for a lifetime. ...
