LEADERSHIP LESSONS I LEARNED FROM MY FATHER:

EMBRACE THE UNEXPECTED!

The best things in life
happen unexpectedly.
The best stories begin with
“and, all of a sudden...”
The best adventures were never
planned as they turned out to be.

Free yourself from expectations.
The best will come when and from
you least expect it.

LEADERSHIP LESSONS I LEARNED FROM MY FATHER:

BE POSITIVE

"In every job that
must be done, there is
an element of fun.
You find the fun, and
- SNAP - the job's a
game!"

"Leadership is
INFLUENCE. If
people can increase
their influence with
others, they CAN lead
more effectively."

Dare To Be by Steve Maraboli

When a new day begins, dare to smile gratefully.
When there is darkness, dare to be the first to shine a light.
When there is injustice, dare to be the first to condemn it.
When something seems difficult, dare to do it anyway.
When life seems to beat you down, dare to fight back.
When there seems to be no hope, dare to find some.
When you're feeling tired, dare to keep going.
When times are tough, dare to be tougher.
When love hurts you, dare to love again.
When someone is hurting, dare to help them heal.
When another is lost, dare to help them find the way.
When a friend falls, dare to be the first to extend a hand.
When you cross paths with another, dare to make them smile.
When you feel great, dare to help someone else feel great, too.
When the day has ended, dare to feel as you've done your best.
Dare to be the best you can —
At all times, Dare to be!
