

# Grade 10 Measurements and Analytical Geometry

**PRESENTED BY: Antonette Jordaan**  
DATE: 14 February 2023

**SAOU**

DIE VERANDERING IN ONDERWYS  
THE CHANGE IN EDUCATION

# Measurement – Meaning in Life

- Measure of educational achievement, intelligence, interest, abilities . . .
- Measuring weight, height, distance, ...

DIE VERANDERING IN ONDERWYS  
THE CHANGE IN EDUCATION

# Measurement – Meaning in Mathematics

- Measurement quantifies the characteristics of an object or event, which we can compare with other things or events

DIE VERANDERING IN ONDERWYS  
THE CHANGE IN EDUCATION

# Measurement

## DO – TALK – RECORD

**DO** – Start an activity for learners with minimal input

**SAOU**

DIE VERANDERING IN ONDERWYS  
THE CHANGE IN EDUCATION

# Measurement

## DO – TALK – RECORD

**DO** – Change a square into a parallelogram

**OU**

DIE VERANDERING IN ONDERWYS  
THE CHANGE IN EDUCATION

# Measurement

## DO – TALK – RECORD

**DO** – Change a square into a parallelogram

# SAOU

DIE VERANDERING IN ONDERWYS  
THE CHANGE IN EDUCATION

# Measurement

DO – TALK – RECORD

**DO** – The final product

**SAOU**

DIE VERANDERING IN ONDERWYS  
THE CHANGE IN EDUCATION

# Measurement

## DO – TALK – RECORD

### TALK

- Mathematical communication
- Learners share their thoughts (pairs)
- Working in small groups (fours)
- Share their findings with class (more)

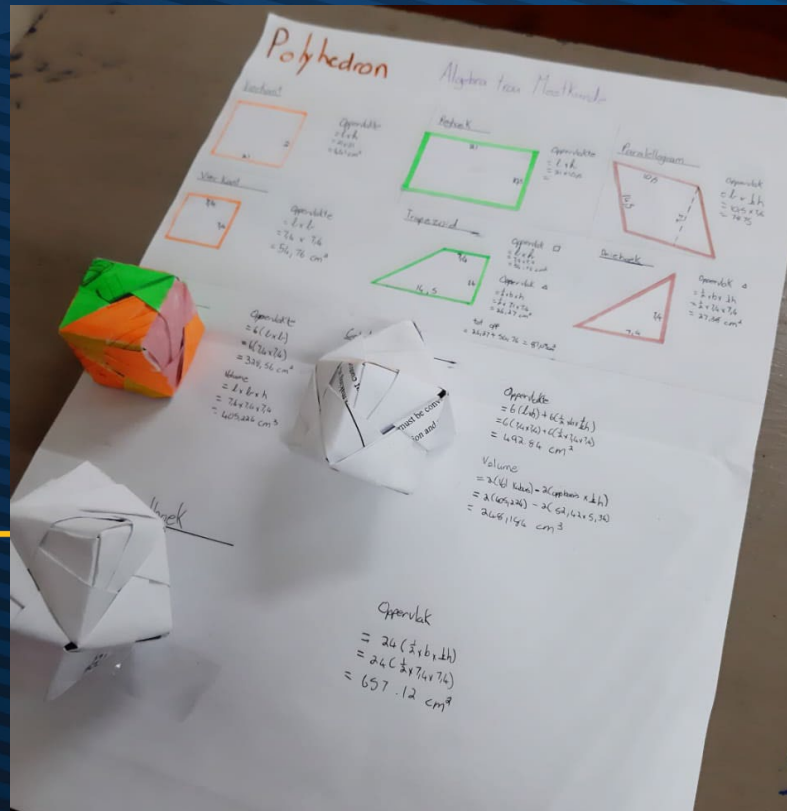

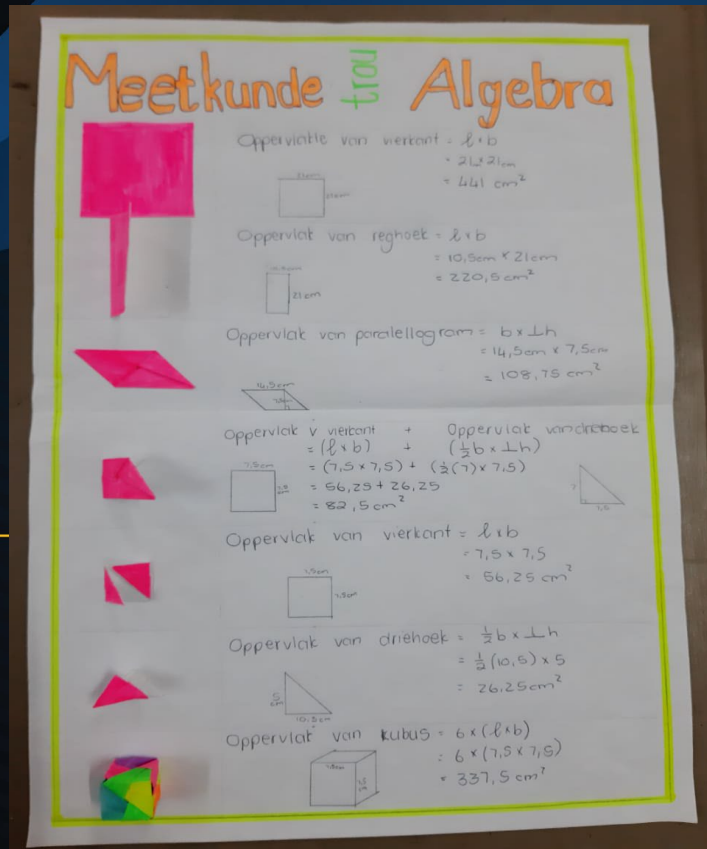

DIE VERANDERING IN ONDERWYS  
THE CHANGE IN EDUCATION

# Measurement

## DO – TALK – RECORD

**RECORD** – Write down the outcomes

**SAOOU**

DIE VERANDERING IN ONDERWYS  
THE CHANGE IN EDUCATION

# Building a cube

## Practical application using the 1 – 2 – 4 – many approach

### Calculations

## Requirements

**SAOU**

DIE VERANDERING IN ONDERWYS  
THE CHANGE IN EDUCATION

# Building a cube

## Practical application using the 1 – 2 – 4 – many approach

Measure Student

Determine Space

SAOU

DIE VERANDERING IN ONDERWYS  
THE CHANGE IN EDUCATION

# Building a cube

## Practical application using the 1 – 2 – 4 – many approach

Two sharing

Four are  
collaborating

**SAOU**

DIE VERANDERING IN ONDERWYS  
THE CHANGE IN EDUCATION

# Building a cube

## Practical application using the 1 – 2 – 4 – more approach

**SAOU**

DIE VERANDERING IN ONDERWYS  
THE CHANGE IN EDUCATION

# Measurement with Technology Using GeoGebra 3D

Creating the AR reality

**SAOU**

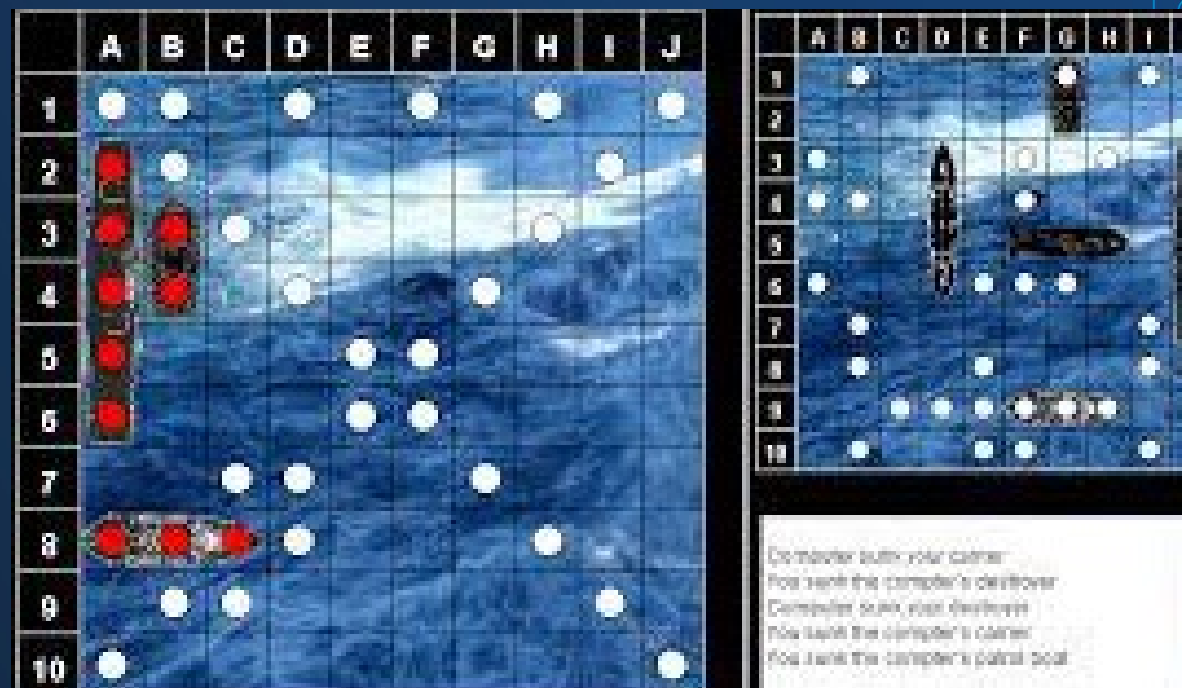

DIE VERANDERING IN ONDERWYS  
THE CHANGE IN EDUCATION

# Analytical Geometry

## MOVIE

Board game

# Analytical Geometry

# Analytical Geometry

# Analytical Geometry

## Squared Battleship – what will be discovered

- Mathematical communication
- Correct reading of coordinates
- Finding distance
- Discover gradients
- Discovering angles (used later in grade 11 – angle of inclination)

# Analytical Geometry

Squared Battleship the game

# Analytical Geometry

## Using new found knowledge

1. Fill in the missing coordinates:

1.1

1.2

1.3

What did you notice?

# Analytical Geometry

## Using new found knowledge

1. Fill in the missing coordinates:

1.1

1.2

1.3 What did you notice?

Find coordinates  
Determine gradient  
Determine distance  
Determine midpoints

## Summary

- ✓ Measurements – discovery from 2D to 3D
- ✓ Actual perception of space, volume and area – area can be touched volume not
- ✓ The use of technology to generate artificial reality – creating the unseen in the reality

## Summary

- ✓ Analytical Geometry – using a movie that relate to the topic
- ✓ Playing the game opens the field of discovery about relationships
- ✓ Mathematical communication and language development
- ✓ Application from practical to theoretical
